

Virtual Reality Games List

Kids

Minecraft

With a VR headset on, coming face-to-face with monstrous mobs takes on new meaning; creeping into dark caves inspires even greater trepidation thanks to 3D audio; and the light of a gorgeous sunrise seems to envelop you more completely.

Ropes and dragons

Virtual game for the whole family. You can become a magician in a marvelous world. Take a lot of obstacles and feed the charming dragon his favorite candies.

VR Funhouse

Step right up to VR Funhouse and enter a virtual carnival full of fun and games. Be an archer with flaming arrows. Test your skill shooting skeet targets blasted from a cannon. See how many moles you can punch, whack, and much more.

Spiderman

For the first time, you can suit up as Spider-Man and see what it's like to be the world's favorite superhero. Learn the ins and outs of your brand-new Stark Industries upgraded web shooters and master different web types as you race to complete fast-paced targeting trials.

Gorilla tag

Run, jump, and climb using only your hands. Play tag or infection with people online. Run away from the infected players or outmaneuver the survivors to catch them. Embrace your inner ape.

Goblgeddon

Fun, madness, sweeping blows, Armageddon and Goblins, Goblins and Armageddon. A player, armed with a giant club, has to defend his possessions from a horde of goblins that are sent to your walls and gates.

Merry snowballs

Merry Snowballs is an action-packed VR snowball game where you get to relive your childhood snowball fights – this time with the cool gadgets you once wish you had! Battle against the neighborhood kids and fight your way to the top of the global leaderboard.

Santa sim

You ring the mysterious bell. Next minute, you're riding in Santa's sleigh, dropping presents in chimneys. Welcome to Santa Simulator where kids squeal with delight and adults become kids again. This game is gifted free when you buy Richie's Plank Experience

Job simulator

In a world where robots have replaced all human jobs, step into the "Job Simulator" to learn what it was like 'to job'.

Fighting

MSI Electric City

Rediscover MSI Electric City as you pilot a fighter ship with the mission to defend the city. Maneuver and blast away the enemy swarm in this VR bullet hell arcade shoot 'em up.

Superhot

No regenerating health bars. No conveniently placed ammo drops. It's you, alone, outnumbered and outgunned. Snatch weapons from fallen enemies to shoot, slice and dodge through a truly cinematic hurricane of slow-motion bullets.

Last mage standing

In Last Mage Standing you are a young mage, standing alone against a horde of undead. Your goal is to survive as long as possible - use your fireballs and weapons to defeat the attackers!

Sairento

VR was made for this. Perform triple jumps, wall runs, power slides and slow time down while blasting away at a foe before landing to deliver a blade attack on another. Kit yourself with katanas, firearms, bows, throwing glaives and legendary relics. Keep upgrading as you play. PURE CYBER NINJA FUN.
